Order On-Line

SteveSpanglerScience.com

Go on-line and let your fingers do the shopping. Our on-line catalog features new products not available in the catalog and hundreds of experiments to help teachers use our products in the classroom.

On-line Quick Order Form

Know your item numbers and don't want to scroll through endless pages of science fun? We've got you covered! With our Quick Order Process you can just enter the item numbers of the products you would like and the quantities needed... the website will do the rest.

Easy Payment

We gladly accept Visa, MasterCard, Discover and American Express. Schools are welcome to take advantage of net 30 terms by faxing a signed copy of a purchase order. All orders must be prepaid, unless you are using an authorized purchase order.

Orders Shipped Promptly

In-stock orders are shipped within 48 hours. If we don't have an item in stock, we will let you know when it will be available. Occasionally, items will be shipped separately. If this happens, you will not be charged for multiple shipments.

Ground Delivery

We routinely ship packages via Fed Ex throughout the contiguous United States. Receipt time is normally 3 to 8 business days from the time of shipment.

Air Services

We offer one, two and three-day air service. These types of orders must be placed by 12 noon MST during the week to ship the same day. Please call customer service at 800-223-9080 for rates to your destination.

APO/FPO Addresses

Packages going to these addresses are shipped via U.S. Postal Service and require longer delivery times. Certain items that U.S.P.S. considers oversized may require additional charges, or may not be able to ship due to size limitations. Please call customer service at 800-223-9080 within the U.S., or 303-798-2778 outside the U.S. for rates and more information.

Alaska and Hawaii

Packages going to these addresses are normally shipped via Fed Ex 2-day Guaranteed Service. If you would prefer to use U.S.P.S. Priority service, please contact customer service at 800-223-9080 or email customerservice@stevespangler.com.

International Deliveries

(Including U.S. Territories and Canada)
Charges for these types of orders are based on weight and size of each package. Customs duty and taxes are the responsibility of the recipient. Please call us at 303-798-2778 or go online for shipping rates and information on your destination. Payment must be in U.S. dollars. All orders must be prepaid.

Oversized or Heavy Merchandise

Unusually large or heavy items, and items that can't be shipped via Fed Ex because of size restrictions, may require additional charges.

Gift Certificates

To order a Steve Spangler Science Gift Certificate simply go online and click on the gift certificates section.

Change of Address

If you're moving, or if your catalog is addressed incorrectly, please call us and we'll update your account.

Easy Returns

We will gladly exchange, credit or refund your purchase within 30 days of receipt. Gift order recipients can exchange items, or receive a gift certificate. We recommend that you return items via an insured and trackable mail service. Please call first for a return authorization number. Please send returns to:

Privacy

We respect your privacy and DO NOT sell our mailing list or email list to any other companies. Periodically, we do send information and promotional opportunities to our customers via mail and email.

Giga Sized Orders

We strive to keep every product on hand to meet our customer's demands at all times. However, large orders often require additional lead time. If you are placing a rather large order, it may take additional time for your order to be processed. We will contact you immediately upon receipt of your order to discuss any delays.
